

PRODUCTS

Lighting, Electrical and Instruments

We keep a full line of electrical products from established brands such as Phillips, as well as safety and lighting from Trucklite, Uni-Bond and Star Warning Systems. Precision instrumentation is provided by Isspro, a leading manufacturer with a full compliment of gauges and senders.

- Electrical cable, coils, plugs and sockets.
- Driving, fog, work lights and headlamps.
- LED, sealed lights, lenses and components.
- Mirrors, reflectors, reflective tape.
- Switches, circuit breakers and relays.
- Warning lights.
- Wire, connectors, terminals and accessories.
- Instrumentation.
